EVENT DETAILS

The State Ceremony represents the official part of the graduation celebrations and will take place with around 400 guests on November 21, 2026, at the Palazzo dei Congressi, Piazza Indipendenza 4, 6900 Lugano.

For us students, this marks the highlight of successfully passing our state examination, culminating in the official diploma ceremony. Together with family, friends, and invited guests, we would like to conclude this special occasion with an apéritif and a small accompanying program in a festive atmosphere.

Support us in financing this celebration with a contribution and become part of our State Ceremony.

PURPOSE OF THE CONTRIBUTION

The financing of the Staatsfeier with diploma ceremony, as well as the Staatszeitung (graduation newspaper), is made possible partly through our membership fees and, equally importantly, through sponsor and donor contributions.

We would like to offer you the opportunity to promote your organisation to this future generation and raise awareness of your work. We would like to take this opportunity to thank you warmly for your support.
